Dear Jim and PHS Board Members,

Thank you so much for the generous honorarium of \$200 for our participation in "History Comes Alive" at the Museum last Sunday.

Our next venture will be in October at the Valley Inn where we will present a dinner theater style production of "The Ghostly Witness" then in November/December we are performing a play of music and readings at St Lucy's Parish Center. Next year, however, I would be interested in exploring the possibility of coordinating with you to hold some performances at the Museum.

Sincerely yours,

A handwritten signature in cursive script that reads "Cindy".
