To Whom it May Concern;

We have a donation program at the market called "Change for Charity." A collection bin is placed in the store and customers and staff can donate as much or as little as they like while the bin is on display. Every time we empty it we select a local organization to donate the funds to. We are happy to send you this check for \$130.16 on behalf of the customers and staff at the market.

We know that these funds will be put to good use at a local organization and we are very pleased to send this to you.

Best Regards,

Dear Nichole,

Thank you so very much for considering the Portsmouth Historical Society as the recipient for your "Change for Charity" donation program. We are very grateful for the check for \$130.16.

As you may know we are energizing the Historical Society by a lot of activities and over the past year our membership numbers have grown from 85 to 450. We are very grateful for any donations as we try to dramatize the wonderful history of the town of Portsmouth.

Thanks so much again.

Sincerely,
